OK, well then it will go public. I want to be prepared for the calls.

Thanks,
Ann

Yes they will. They have not really been in the picture since the PA petition, I forgot they had requested it.

Ann

I do not have any deliverables from the contractor at the moment. The PA will be a public document once finalized. But I wouldn't realize necessarily say "go public". We will provide a copy to Flint Hills as the site owner, ADEC, and anyone else to requests a copy it. There will not be a public announcement or press release concerning it.

So do you have a draft score now that we could at least discuss? Steve is out until the 12th, but perhaps a quick telecon next week to give us a heads up. Does the PA go public once it is finalized?

Thanks Brandon.

Hi Ann

Both documents are completed simultaneously.

Just to make sure I understand Brandon, this means the preliminary assessment is in draft and you don't expect it to be complete until the end of June. Then EPA will do the HRS? Or the contractor scores it and the HRS comes in with the final PA?

Thanks,
Ann

Steve

I spoke with our contractor on Monday. It is currently in the queue for editorial review. I should have a draft by next week. I will then need to conduct a review. If I have any comments, E&E will need to make the appropriate edits/change. I would say it may not be till the end of June till we have something final.

Brandon,

How are things coming along with the HRS for the Flint Hills site ?

Thanks, Steve
